Mr. Burton Fredman
Contracting Officer
Office of Procurement Operations
Department of Energy
Washington, DC 20520

Dear Mr. Fredman:

Enclosed are the five copies of the forms which you recently addressed to Mr. Michael Guhin relating to transfer of funds in connection with Project Indalo in Spain. Mr. Guhin has departed from this office for another assignment. The forms have been executed as you requested, and we would appreciate return of a completed copy for our records.

This letter will confirm our oral understanding with Mr. Leith of DOE that we are undertaking this transfer of funds for FY-81 on this occasion only, and that State will not be asked to carry out a similar procedure in the future. We understand that DOE will arrange to disperse these funds directly by an appropriate contractual arrangement with the recipient in Spain, but that such an arrangement is not possible for FY-81 due to the limited amount of time remaining before the end of the fiscal year. Under our procedures, processing such a transfer entails a considerable amount of additional effort, and we appreciate your willingness to make arrangements that will eliminate the need for our doing so in future years.

Any further questions in connection with completion of the arrangements for this transfer should be directed to Mr. James Lewis, Budget Officer in this Bureau's Executive Office (OES/EX, Room 7821, Department of State), telephone 632-3623.

Sincerely,

John P. Boright
Acting Deputy Assistant Secretary
